view, we man not over look those any old traditions handed down through centuries.

"Now, women are going into politics as a wholesale scale; many states have railfied the suffrage meanment act, while others are still discussing its provability. It astiously its suffering the suffrage is granted, in my sphalos, it will tend to leasen the morals of this creat commonwealth to a low ebb.

"Weman as we all know, is the foundation of any mee. She not only builds a home but it responsible for the food of our great institutions of instinct and locating, in fact, she is the producer for all enterprises. Therefore it is up to the women fell to teach and build character through their God-criven accomplishment of the producer for all enterprises. Therefore it is up to the women fell to teach and build character through their God-criven accomplishment of the first success of which men fall to grasp the meaning. "Hence, if women enter business and politics on an unlimited scale, it will tend to make them sorted self-it will tend to make them sorted self-its men fall to turn take away that sympathy mentioned above."

"Women and men are not enforced to have a faller and it requires the endowments of both seres to constitute a correct social medium. When God and 'It is not good that man should be allowed for referred to social life and men, being neithes moral nor mercitin by thater, that halpmoset was to help build social environment and not receive wood and water.

"Politics and war being the greatest building and destroying agencies if society, our civilization demands that woman's voice be heard in the council of both.

She need not do fist-fighting nor he an executive; she will find her place."

Weeman Will Regret It?

Lewis Suider says before the passing of another generation, I believe with all my soul that woman will learn to her sorrow that by series are represented as most grievous mistake. Give her the vote, yes, but stop with the vote, the vote, yes, but stop with the vote Let her refrain from active participation in political pow-rows, and therethe vote in political pow-rows, and therethe yes that her wolf-respect, and continue to inspire the respect that man has always been wont to accord her "Mince woman has landsied in taking her place in politics, she has opened the road for the breaking of conventionalities that will be more raisely shocking than riding in an elevator with a man who falls to remove his hai."

G. M. L. says: "Suffragets are always manculine looking and, if you will notice, most of them have must-ches."

Austin College

This institution offers to young men and women the opportunity to equip themselves for a part in the greatest period in world history. Leadership in the task of reconstruction during the next decade will fall to the lot of

those who are prepared.

College trained men held places of responsibility in the time of struggle; they are no less in demand in the present era of peace and reconstruction. In this period of intense competition the reward goes to those who have equipped themselves.

Austin College offers: 1.-Standard college courses leading to the degree of Bachelor of Arts.

2.-Preparation for the law, medicine, engineering, teaching, the ministry, general business. Seventy-second session opens Wednesday, Sept. 15, 1920. Fifteen units required for entrance.

For information concerning entrance requirements and dormitory reservations, address The Registrar.
